Flat Tip .035" Instinct® Hard Grip Red Screwdriver

Description

- New Instinct® handle provides maximum turning power and greater comfort
- Six specially designed curves and flutes with a round neck provides fingertip control, aids in spinning and prevents the tool from rolling on flat surfaces
- Tips are precision cut and vapor-blasted for optimal grip and help prevent chrome peel
- Replaceable blades are cold forged from special alloy steel and heat-treated for strength and durability
- Hexagon bolster prevents blade from being forced into handle and provides wrench assisted turning
- Nickel/chrome-plating helps protect against corrosion and promotes easy clean up
