## Rotary Tube Cleaner 0,5 HP (RAM-4A-50)

**The Newest Generation of the Original Tube Cleaners**

### Description

#### THE ORIGINAL ROTARY TUBE CLEANER

With the RAM-4 in your arsenal, you're backed by 32 years of proven tube-cleaning performance. Now, at its fourth generation, the RAM-4 includes an array of interchangeable cleaning tools designed for a variety of situations, and applications. It was never so easily to clean tubes and restore system's performance.

With our tools, you could safely and effectively scours debris away without damaging the walls. A casing around the shaft feeds water to the rotating tool, flushing out deposits as they are loosened.

The RAM-4 is one of the most effective weapons you can use to optimize your systems power requirements.

### Features

- > Simple to operate - Minimal training required
