

Mehr Technical Service GmbH

Atmospheric oil mist detectors

Circuit breaker
AEG, ABB
Merlin Gerin (Schneider)
Terasaki Siemens

AVR
Automatic Voltage Regulators
(some types at stock available)

Valcom
EEx protected niveau sensors
and pressure transmitter

Temperature sensors
for exhaust gas- and cooling water
measuring

Direct deliveries from
el. equipment
from China => China possible
(Korea too)

UPS
from APC
for example

Batteries
up to 12V 300Ah
for UPS or motor - starter

Speed controller

Contactors and aux parts
from Telemecanique, AEG, ABB,
Moeller/Eaton, Siemens

Ballast for
fluorescent lamps
and transformers

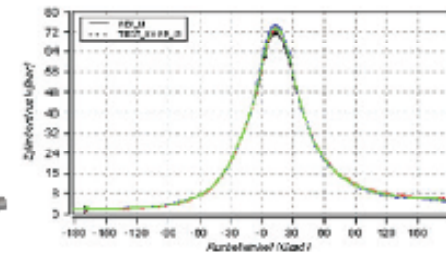

Rudder angle indicators
and standard indicators

Shiplock systems
masterclock and different
slave clocks available

EPM-XP

IMES Electronic Indicator
for Diesel Engines

Magnetic valves

Float level switches

Charger for PB batteries

Limit switches from all makers

Teddington pressure- and
temperature switches

Time relays from Omron,
Schneider, Eaton, Siemens etc.
